

"TO BE BUILT TO LOVE IS TO BE BUILT TO DISSOLVE."

*It is to be built to **unbecome**. It is to have the **sole purpose** of **falling apart**, all in the name of someone else."*

Even the grandest of stories can feel small and immediate when it's just one person's life.

One of the most well-known names from one of the most well-known clades on the System, the avatar of political machinations and cool confidence, has been brought low. With help coming only from loan Bălan and the most grudging of support from her cocladiests, all True Name has left to save herself is the ability to **change**...
